EDUCATION

College of Engineering, Thalassery   **Sept. 2023 – 2027 (Expected)**
Bachelor of Technology, Information Technology   *Thalassery, Kerala*

EXPERIENCE

Dichit Private Limited   **August 2024 – Present**
Product Designer   *Ernakulam, Kannur*
- Led end-to-end product design for Dichit, a platform for managing and tracking chit funds digitally, ensuring a clean user journey from onboarding to transaction tracking.
- Designed **high-fidelity UI** mockups and interactive prototypes using **Figma**, aligning the visual language with the brand's core values of trust and simplicity.
- Created **marketing visuals** and **pitch assets** for investor decks and user onboarding, ensuring design consistency across touchpoints.

Mulearn Foundation   **Jan 2025 – Present**
District Lead   *Kannur*
- Spearheaded **district-wide operations** for Mulearn, coordinating with multiple campus chapters across Kannur to foster peer-based learning and tech upskilling.
- Mentored campus leads and structured knowledge tracks, growing district **participation** by over **65%**.
- Organized and facilitated **events, workshops, and community meetups** that enhanced technical engagement and collaboration across institutions.

Mulearn Foundation   **March 2024 – November 2024**
UI Developer Intern   *Remote, Thiruvananthapuram*
- Built and styled **responsive UI** components using **React.js** and **Next.js**
- Improved cross-device performance, increasing **responsiveness** by **65%**

PROJECTS

Kannur International Airport - Learning space   **Sept. 2023 – Jan 2024**
Team Project   *Kannur Airport, Kannur*
- Designed relational databases using **MySQL** and **MySQL Workbench** with optimized schema and foreign key relationships
- Reduced data **retrieval time** by **30%** through efficient SQL query development

EXTRACURRICULAR

Founder and Lead - Mulearn TLY   **December 2023 - Present**
Campus Lead   *College of Engineering Thalassery*
- **Founded and established** Mulearn TLY campus chapter, growing membership to over **300 members,** with over **230 active members**
- Directed a team of **30+ members** in organizing workshops, interactive activities, and online/offline events, enhancing community engagement and learning.

AWARDS AND CERTIFICATES
